MPG has been a regional leader in masonry and concrete restoration and preservation since 1985. Throughout the New Jersey, Pennsylvania and Delaware areas, many of the buildings and structures featuring our work have won preservation awards on the local, state and national levels. Our extensive experience with masonry/concrete restoration and our client satisfaction are important reasons why many clients choose MPG for all phases of their multi-phased and multi-building projects. We provide years of practical experience to the project team and help develop realistic, cost effective solutions that meet the many criteria, inclusive of budget control, that are necessary for quality masonry/concrete restoration.
