TOPGOLF

1013 US Route 1
Edison, NJ 08817

Topgolf features climate-controlled hitting bays for year-round play and can be played by all skill levels. The micro-chipped golf balls score themselves, providing players with instant feedback on each shot's accuracy and distance. Players aim for giant dartboard-like targets in the outfield. The farther the shot goes and the closer to the pin, the more points the players receive. www.topgolf.com
