Krando Metal Products, Inc. turned 33 this year. This company began with a modest dream of success and has grown into a formidable presence in the masonry industry. We credit our success to the ever growing customer base and friendships we have developed over the years.

This company prides itself on providing high quality goods and services manufactured in a timely manner. This level of service set us apart as a leader in the industry.

In effort to stay ahead of the curve we are continually investing in new and better machinery and technology. Our recent addition of an Emmegi Milling Machine has opened capabilities in the Aluminum Extrusion and Curtain Wall markets. This along with many other advances will keep Krando a leading manufacturer of all construction needs. We look forward to sharing Krando Metal Products with you soon and proving how this company is the best asset you could have.
